- VULTREX™ MPG

Note: These are general guidelines containing select Petro-Canada Lubricants products that may be most suitable for your equipment. The product lists reflect general recommendations only, and does not constitute a final recommendation. Please consult your original equipment manufacturer lubricant requirements for final recommendations. Machines may have more lubrication points than the ones identified in the schematic. Please contact a Petro-Canada Lubricants representative or visit our website, [lubricants.petro-canada.com](http://lubricants.petro-canada.com) for more information and our complete product listing.
